## **NORTHERN TRUST**

INVESTMENT | DEVELOPMENT | REGENERATION

### **PRESS RELEASE**

**FOR IMMEDIATE RELEASE**

Date: 22<sup>nd</sup> July 2020

## **ONLY 2 UNITS REMAINING AT BARONS COURT, GRANGEMOUTH**

Whittle Jones; managing agents acting on behalf of Northern Trust is pleased to confirm that their new industrial development in Grangemouth, Barons Court only has 2 units available to let.

Barons Court covers 18,247 sq ft of high quality industrial and workshop accommodation arranged in 2 terraced blocks. The scheme comprises a total of 10 units with sizes ranging from 1,096 sq ft to 2,218 sq ft and has proven a huge success since it was completed at the end of last year.

The development is now home to 8 businesses, including RSK Consultancy (UK) Ltd, Charity & Taylor (Electronic Services) Ltd, R & M Clarkson Ltd (Fire & Security), Harry Dhillon Holdings Ltd, Infinity Tints and Cryo Pump Repairs Ltd. This leaves only units 4 and 5 available each comprising 1,654 sq ft.

Rosalyn Marshall of Cryo Pump Repairs Ltd who occupy unit 1 commented "We were delighted to find a suitably sized space to accommodate our planned workshop and office expansion, coupled with such close access to the transport network; it was an easy decision to re-locate our business to Barons Court." For more details visit the website at [www.cryopumprepairs.com](http://www.cryopumprepairs.com).

Wendie Thomson, Business Manager at R & M Clarkson Ltd (Fire & Security) who occupy unit 7 added "With our Scotland Office still in its infancy, being part of a managed building no-one knew we were there, albeit it was perfect geographically. Being so central our engineers could pop into the office for a quick chat and coffee with the Service Team, receive updates and collect stock which is critical to morale rather than being constantly out on the road. When we were nearing the end of our lease we decided we wanted a forever premise, not too big but has the capacity to grow with us, somewhere we can display our signage so potential clients know we are there as well as being affordable and not compromise our perfect geographical location...

We looked at lots of units/offices in and around the Central belt but settled on Barons Court as it ticked all the boxes without compromising on location. We are all settled in and love our new forever business home.” You can visit the website at [www.clarksonsafety.com](http://www.clarksonsafety.com)

Jonathan Houghton, Property Portfolio Manager at Northern Trust said “Barons Court is the second phase of development at Earls Gate Business Park, and sits adjacent to Grange Court overlooking Earls Road. There has been a strong demand for our industrial / workshops in Grangemouth and to secure 8 new lettings in less than 6 months on a new development is a massive achievement.”

“We are delighted to welcome all of the new occupiers to Barons Court and look forward to working with them on their occupational requirements. To be over 80% full is testament to the quality of the space and its key location with easy access to the M9 motorway” added Anne Maclaren, Estates Manager at Whittle Jones.
